"POC Water"

November 2, 2021 Consolidation Election

The Board of Directors (the "Board") for Port O'Connor Improvement District (the "District") has called for a Consolidation Election. The Board has determined it is in the best interest of the District to pursue consolidation with LaSalle WCID 1A. The consolidation will provide POCID additional groundwater pumping capacity with the Calhoun County Groundwater Conservation District. In addition, consolidation with LaSalle should increase the taxable value of the District and potentially provide greater economies of scale and more streamlined operations. You are encouraged to attend the Open House on October 12, 2021 at 7:00 p.m. at the Port O'Connor Elementary School for additional information. For answers to frequently asked questions, visit <https://www.pocid.org/documents/465/ElectionFAQPOCID-Final.pdf>.

Elección de Consolidación del 2 de noviembre de 2021

La Junta Directiva (la "Junta") del Distrito de Mejoras de Port O'Connor (el "Distrito") ha convocado una Elección de Consolidación. La Junta ha determinado que es para beneficio del Distrito buscar una consolidación con LaSalle WCID 1A. La consolidación proporcionará a POCID capacidad adicional de bombeo de agua subterránea con el Distrito de Conservación de Agua Subterránea del Condado de Calhoun. Además, la consolidación con LaSalle debería aumentar el valor gravable del Distrito y lo que podría proporcionar mayores economías de escala y operaciones más simplificadas. Se le anima a asistir a la Sesión abierta el 12 de octubre de 2021 a las 7:00 p.m. en la Escuela Primaria Port O'Connor para obtener información adicional. Para obtener respuestas a preguntas frecuentes, visite <https://www.pocid.org/documents/465/ElectionFAQPOCID-Final.pdf>.

Distrito de Mejoras de Port O'Connor

12 de octubre a las 7:00 PM

Port O'Connor Elementary School

La Junta Directiva del Distrito de Mejoras de Port O'Connor invita cordialmente a todos los votantes registrados del Distrito a una casa abierta para deliberar sobre el contenido de la boleta de votación de la próxima Elección de Consolidación del 2 de noviembre de 2021.

Outdoor Showers

All **outdoor showers** need a **permit** & an inspection per District Policy. If you have one please call the office.

Customers who have recently had a **BACKFLOW INSPECTION**, the District needs a copy of your inspection to be in compliance with TCEQ. This helps us to plan for future inspections.

All sprinklers should have a one-time **BACKFLOW INSPECTION** completed & on file with the District. All RV Parks and RPZ Backflows require an annual inspection.

Friendly Reminders

Irrigation Permits

All sprinkler systems require a permit completed and turned in to POCID Office **before** installation. After installation a backflow inspection is required.

The meter AMI installation project is complete. There are some meters that will have to be installed by the district employees due to certain issues. Any meters bigger than 2" will have to be read manually. If you are having any issues, please let us know and we will take care of it as soon as we can. The customer service valves have been completed also. In order to be in compliance with the District Rules & Regulations you need to have a customer service valve within 3 feet of your meter.
