### Note from the Board of Directors

The past year has been a busy one for Port O'Connor Improvement District. The first Board of Directors Election for the newly consolidate Port O'Connor Improvement District was called at the July 18, 2022 board meeting.

Accordingly, at its July regular board meeting, the Board took all necessary action and began the process of conducting an election for the positions of all five board members. As of the close of all filing timelines, only the existing five directors of Danny McGuire, Mike Clifton, Nathan O'Neill, John "Red" Childers, and Victor Mozisek had filed for re-election. As a result, all candidates are unopposed.

The District is authorized by law to cancel the election. The Board met and cancelled the election and declared each unopposed candidate elected to office. Each candidate is required to qualify for the office in the same manner as provided for a candidate as if elected. At the November board meeting, the directors will take their oaths of office, reorganize the board, and determine the terms of office for each director.

The Board encourages you to visit <http://www.pocid.org> to sign up for text and/or e-mail alerts that will allow Port O'Connor Improvement to deliver important news directly to your inbox or text app.

### **Nota de la Junta Directiva**

El último año ha sido muy activo para el Distrito de Mejoras de Port O'Connor. La primera elección de Junta Directiva para el nuevo Distrito de Mejoras consolidado de Port O'Connor fue convocada en la asamblea de junta del 18 de julio de 2022.

Con este fin, en su asamblea ordinaria de julio, la Junta adoptó todas las medidas necesarias e inició el proceso de elección de los cinco miembros de la Junta. Al cierre de todos los plazos de presentación, sólo los cinco directores existentes, Danny McGuire, Mike Clifton, Nathan O'Neill, John "Red" Childers y Victor Mozisek habían presentado su candidatura para su reelección. Como resultado, ninguno de los candidatos tiene oponentes.

El Distrito está autorizado por ley para cancelar la elección. La Junta se reunió y canceló la elección y declaró electo a cada candidato sin oponentes. Cada candidato debe reunir los requisitos para el cargo de la misma manera que se establece para un candidato como si fuera elegido por votación. En la asamblea de noviembre, los directores tomarán juramento, reorganizarán la junta y determinarán los términos del cargo para cada director.

La Junta recomienda que visite <http://www.pocid.org> para inscribirse en alertas de texto y/o correo electrónico que permitirán a Mejoras de Port O'Connor enviar noticias importantes directamente a su bandeja de entrada o aplicación de texto.

## Irrigation Permits

All sprinkler systems require a permit completed and turned in to the POCID Office **before** installation. After installation a backflow inspection is required.

***ALL Outdoor Showers and fish cleaning stations need a permit & an inspection per District Policy. We are actively identifying these to insure we do not have an excess of rainwater in our sewer system. The smoke testing did help us with these. Please call the District office @ 361-983-2652 to obtain the required permit.***
