PORT O'CONNOR IMPROVEMENT DISTRICT  
ORDER LEVYING 2023 TAXES

WHEREAS, the voters of Port O'Connor Improvement District (the "District") have authorized the issuance of bonds that are payable from ad valorem taxes at an election held for such purpose; and

WHEREAS, the resolution or resolutions authorizing such bonds require a general levy of taxes for the purposes of providing for interest and principal payments on such bonds, while any part of said principal or interest remains outstanding and unpaid; and

WHEREAS, the voters of the District have authorized the levy of a tax to pay for maintenance and operation expenses of the District and also for an additional tax to pay for maintenance and operation expenses of Defined Area No. 1 at elections held for such purposes; and

WHEREAS, the Board of Directors has reviewed and approved its operating budget for its fiscal year October 1, 2023-September 30, 2024 and has concluded that a maintenance tax for such purposes should be levied for the tax year 2023; and

WHEREAS, the District has complied with the provision of Section 49.236, Texas Water Code and conducted a Public Hearing on the Tax Rate as required therein:

WHEREAS, it is necessary for the Board of Directors to fix a specific rate of tax to be levied for the tax year 2023, based on the District's tax rolls for 2023, which have been prepared; Now, Therefore,

BE IT ORDERED BY THE BOARD OF DIRECTORS FOR PORT O'CONNOR IMPROVEMENT DISTRICT THAT:

**Section 1:** There is hereby levied an ad valorem tax of \$0.4949 on each \$100 of taxable property within the District for the tax year 2023 consisting of the following two (2) components: \$0.22 to pay the District's debt service; and \$0.2749 to fund the District's maintenance and operation expenditures.

**Section 2:** There is hereby levied an additional ad valorem tax of \$.5051 on each \$100 of taxable property within the District for the tax year 2023 only on property within the boundaries of Defined Area No. 1 in order to provide for the maintenance and operation purposes specifically related to Defined Area No. 1.

**Section 3:** After paying reasonable costs of levying, assessing and collecting same, \$0.22 of all taxes collected pursuant to Section 1 above, shall be deposited in the District's Debt Service Fund and shall be used solely for the purpose of paying interest on and principal of the District's outstanding bonds and paying the registrar fees; and \$.5051 of all taxes collected from property within the Defined Area No. 1 shall be deposited in the Defined Area No. 1 Fund and all remaining taxes collected shall be deposited in the District's General Fund, as applicable, and shall be used for the purposes of which such taxes were authorized.

**Section 4:** The taxes levied hereby shall be delinquent if not paid by January 31, 2024.

**Section 5:** The Order shall be effective from and after its adoption.

**Section 6:** The President or Vice President is authorized to execute, and the Secretary or any

Assistant Secretary to attest, this order on behalf of the Board of Directors.

THIS TAX RATE ESTABLISHES LOWER TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL BE EFFECTIVELY LOWERED BY 2.77% AND WILL LOWER TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$14.10.

Since the actual tax rate is decreased from the 2022 rate, the taxes on a \$100,000 home last year and the taxes on a \$100,000 home this year will decrease. However, a more accurate depiction is represented by the calculations of the Calhoun County Appraisal District on the Average Residential Homestead Taxable Value of \$310,709, which has increased from the prior year's \$246,204 value.. The adopted tax rate, in that instance, will be effectively raised by 7.99% and will result in an annual increase of \$79.14 on the average residential homestead in the District.

PASSED AND APPROVED on this 6th day of September, 2023.
