INDEPENDENT AUDITOR'S REPORT

Board of Directors
Port O'Connor Improvement District
Calhoun County, Texas

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Port O'Connor Improvement District (the "District") as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Schedules of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual - General Fund and Special Revenue Fund be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Board of Directors
Port O'Connor Improvement District

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplementary information required by the Texas Commission on Environmental Quality as published in the *Water District Financial Management Guide* is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The supplementary information, excluding that portion marked "Unaudited" on which we express no opinion or provide an assurance, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**PORT O’CONNOR IMPROVEMENT DISTRICT
MANAGEMENT’S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

Management’s discussion and analysis of the financial performance of Port O’Connor Improvement District (the “District”) provides an overview of the District’s financial activities for the fiscal year ended September 30, 2023. Please read it in conjunction with the District’s financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The basic financial statements include: (1) combined fund financial statements and government-wide financial statements and (2) notes to financial statements. The combined fund financial statements and government-wide financial statements combine both: (1) the Statement of Net Position and Governmental Funds Balance Sheet and (2) the Statement of Activities and Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances. This report also includes required and other supplementary information in addition to the basic financial statements.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The District’s annual report includes two financial statements combining the government-wide financial statements and the fund financial statements. The government-wide financial statements provide both long-term and short-term information about the District’s overall status. Financial reporting at this level uses a perspective like that found in the private sector with its basis in full accrual accounting and elimination or reclassification of internal activities.

The Statement of Net Position includes all the District’s assets and liabilities with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating. Evaluation of the overall health of the District would extend to other non-financial factors.

The Statement of Activities reports how the District’s net position changed during the current fiscal year. All current year revenues and expenses are included regardless of when cash is received or paid.

FUND FINANCIAL STATEMENTS

The combined statements also include fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District has four governmental fund types. The General Fund accounts for resources not accounted for in another fund, customer service revenues, operating costs, and administrative expenditures. The Special Revenue Fund accounts for the revenues and expenditures associated with the Defined Area No. 1.

**PORT O’CONNOR IMPROVEMENT DISTRICT
MANAGEMENT’S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

FUND FINANCIAL STATEMENTS (Continued)

The Debt Service Fund accounts for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes. The Capital Projects Fund accounts for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

Governmental funds are reported in each of the financial statements. The focus in the fund financial statements provides a distinctive view of the District’s governmental funds. These statements report short-term fiscal accountability focusing on the use of spendable resources and balances of spendable resources available at the end of the year. They are useful in evaluating annual financing requirements of the District and the commitment of spendable resources for the near-term.

Since the government-wide focus includes the long-term view, comparisons between these two perspectives may provide insight into the long-term impact of short-term financing decisions. The adjustments columns, the Reconciliation of the Governmental Funds Balance Sheet to the Statement of Net Position and the Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities explain the differences between the two presentations and assist in understanding the differences between these two perspectives.

NOTES TO FINANCIAL STATEMENTS

The accompanying notes to financial statements provide information essential to a full understanding of the government-wide and fund financial statements.

OTHER INFORMATION

In addition to the financial statements and accompanying notes, this report also presents certain required supplementary information (“RSI”) and other supplementary information. Budgetary comparison schedules are included as RSI for the General Fund and the Special Revenue Fund.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of the District’s financial position. In the case of the District, assets exceeded liabilities by \$24,704,217 as of September 30, 2023. A portion of the District’s net position reflects its net investment in capital assets which include land, buildings and equipment as well as water and wastewater systems less any debt used to acquire those assets that is still outstanding.

**PORT O’CONNOR IMPROVEMENT DISTRICT
MANAGEMENT’S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

FINANCIAL ANALYSIS OF THE DISTRICT’S GOVERNMENTAL FUNDS

The District’s combined fund balances as of September 30, 2023, were \$25,533,863, an increase of \$13,266,520 from the prior year.

The General Fund fund balance increased by \$905,964 primarily due to property tax revenues, service revenues and sales tax revenues exceeding operating and capital expenditures, as well as transfers to the Capital Projects Fund.

The Special Revenue Fund fund balance increased by \$78,281. Property tax collections levied on the Defined Area No. 1 exceeded operating and administrative costs.

The Debt Service Fund fund balance increased by \$1,072,897, primarily due to the structure of the District’s debt service requirements and proceeds from capitalized interest related to the Series 2023 Bonds.

The Capital Projects Fund fund balance increased by \$11,209,378, primarily due to the Series 2023 bond proceeds which remained unspent at year end and transfers from the General Fund.

BUDGETARY HIGHLIGHTS

The Board of Directors adopted budgets for both the General Fund and the Special Revenue Fund for the current fiscal year. The General Fund budget was amended to increase the budgeted amounts for property tax revenues, service revenues, investment and other revenues, professional fees, operations and maintenance fees, relocation fees, utilities, capital outlay, and contingencies. The board also reduced budgeted amounts related to repairs and maintenance and transfers out. For the General Fund, actual revenues were \$308,277 more than budgeted revenues and actual expenditures were \$83,191 more than budgeted expenditures. After taking into account a transfer to the Capital Projects Fund, the result was a positive variance of \$905,964. The Special Revenue Fund budget to actual comparison reflects a positive variance of \$78,281. See the budget comparison schedules for more detailed information.

LONG-TERM DEBT ACTIVITY

The District’s Series 2023 Bonds carry an underlying rating of “A3” by Moody’s Investors Service while the other bonds were not rated. At year end, the District had total long-term debt payable of \$28,080,000. The changes in the debt position of the District during the fiscal year ended September 30, 2023, are summarized as follows:

Bond Debt Payable, October 1, 2022	\$	13,555,000
Add: Bond Sale		15,280,000
Less: Bond Principal Paid		<u>(755,000)</u>
Bond Debt Payable, September 30, 2023	\$	<u>28,080,000</u>

**PORT O’CONNOR IMPROVEMENT DISTRICT
MANAGEMENT’S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

CAPITAL ASSETS

Capital assets as of September 30, 2023, total \$27,260,636 (net of accumulated depreciation) and include land, buildings and equipment as well as the water and wastewater systems. Significant capital asset activity during the current year consisted of the vacuum station expansion, installation of the reverse osmosis system, water and sewer collection system improvements, installation of a generator and fence, and construction of water wells. See Note 6 for additional information.

Capital Assets At Year-End			
	2023	2022	Change Positive (Negative)
Capital Assets Not Being Depreciated:			
Land and Land Improvements	\$ 661,569	\$ 661,569	\$
Construction in Progress	3,159,160	3,254,556	(95,396)
Capital Assets Subject to Depreciation:			
Water System	15,037,811	14,567,946	469,865
Wastewater System	15,034,879	14,673,907	360,972
Buildings, Equipment and Other	3,973,962	2,240,002	1,733,960
Less Accumulated Depreciation	(10,606,745)	(9,803,448)	(803,297)
Total Net Capital Assets	\$ 27,260,636	\$ 25,594,532	\$ 1,666,104

CONTACTING THE DISTRICT’S MANAGEMENT

This financial report is designed to provide a general overview of the District’s finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to Port O’Connor Improvement District, P.O. Box 375, Port O’Connor, TX 77982.

**PORT O'CONNOR IMPROVEMENT DISTRICT
RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF
REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2023**

Net Change in Fund Balances - Governmental Funds	\$ 13,266,520
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report tax revenues when collected. However, in the Statement of Activities, revenue is recorded in the accounting period for which the taxes are levied.	(101,051)
Governmental funds report penalty and interest on delinquent property taxes when collected. However, in the government-wide financial statements, revenues are recorded when the penalty and interest are assessed.	2,388
Governmental funds do not account for depreciation. However, in the Statement of Net Position, capital assets are depreciated and depreciation expense is recorded in the Statement of Activities.	(1,093,942)
Governmental funds report capital expenditures as expenditures in the period purchased. However, in the Statement of Net Position, capital assets are increased by new purchases and the Statement of Activities is not affected.	2,760,046
Governmental funds report principal payments on long-term debt as expenditures. However, in the government-wide financial statements, principal payments decrease long-term liabilities and the Statement of Activities is not affected.	755,000
Governmental funds report interest expenditures on long-term debt as expenditures in the year paid. However, in the Statement of Net Position, interest is accrued on the long-term debt through fiscal year-end.	(101,419)
Governmental funds report bond proceeds as other financing sources. Issued bonds increase long-term liabilities in the government-wide financial statements and the Statement of Activities is not affected.	(15,280,000)
Governmental funds report bond discounts and premiums as other financing uses and sources in the year bonds are sold. However, in the government-wide statements, bond discounts and premiums are amortized over the life of the bonds and the current year amortized portion is recorded in the Statement of Activities.	66,943
Change in Net Position - Governmental Activities	\$ 274,485

The accompanying notes to financial statements are an integral part of this report.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 1. CREATION OF DISTRICT

The District was legislatively created in 1977 as a political subdivision of the State of Texas, organized and established in accordance with Article XVI, Section 59 of the Texas Constitution, and operates pursuant to Chapters 49 and 54 of the Texas Water Code, as amended. Effective June 14, 2013, pursuant to the passage of Texas Senate Bill 1822 in the 83rd Regular Session of the Texas Legislature, the District's name was changed from Port O'Connor Municipal Utility District to Port O'Connor Improvement District. The District is empowered, among other things, to purchase, construct, operate and maintain all works, improvements, facilities and plans necessary for the supply and distribution of water; the collection, transportation, and treatment of wastewater; the control and diversion of storm water; and the navigation of its inland and coastal water. The District may issue bonds and other forms of indebtedness to purchase or construct such facilities. The District is also authorized to develop parks and recreation facilities from operating revenue only. The District is authorized to collect a sales and use tax within the District. The District is also empowered to establish, operate, and maintain fire-fighting facilities, independently or to contract with an entity providing such services. Fire protection in the District is provided by the Port O’Connor Volunteer Fire Department.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as promulgated by the Governmental Accounting Standards Board (“GASB”). In addition, the accounting records of the District are maintained generally in accordance with the requirements of the Texas Commission on Environmental Quality (“TCEQ”) as published in the *Water District Financial Management Guide*.

The District is a political subdivision of the State of Texas governed by an elected board. GASB has established the criteria for determining whether an entity is a primary government or a component unit of a primary government. The primary criteria are that it has a separately elected governing body, it is legally separate, and it is fiscally independent of other state and local governments. Under these criteria, the District is considered a primary government and is not a component unit of any other government. Additionally, no other entities meet the criteria for inclusion in the District’s financial statement as component units.

Financial Statement Presentation

These financial statements have been prepared in accordance with GASB Codification of Governmental Accounting and Financial Reporting Standards Part II, Financial Reporting (“GASB Codification”). The GASB Codification sets forth standards for external financial reporting for all state and local government entities, which include a requirement for a Statement of Net Position and a Statement of Activities.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation (Continued)

- * Net Investment in Capital Assets – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
- * Restricted Net Position – This component of net position consists of external constraints placed on the use of assets imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulation of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- * Unrestricted Net Position – This component of net position consists of assets that do not meet the definition of Restricted or Net Investment in Capital Assets.

When both restricted and unrestricted resources are available for use, generally it is the District’s policy to use restricted resources first.

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the District as a whole. The District’s Statement of Net Position and Statement of Activities are combined with the governmental fund financial statements. The District is viewed as a special-purpose government and has the option of combining these financial statements.

The Statement of Net Position is reported by adjusting the governmental fund types to report on the full accrual basis, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. Any amounts recorded due to and due from other funds are eliminated in the Statement of Net Position.

The Statement of Activities is reported by adjusting the governmental fund types to report only items related to current year revenues and expenditures. Items such as capital outlay are allocated over their estimated useful lives as depreciation expense. Internal activities between governmental funds, if any, are eliminated by adjustment to obtain net total revenues and expenses in the government-wide Statement of Activities.

Fund Financial Statements

The District’s fund financial statements are combined with the government-wide financial statements. The fund financial statements include a Governmental Funds Balance Sheet and a Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Governmental Funds

The District has four governmental funds and considers these funds to be major funds.

General Fund - To account for resources not required to be accounted for in another fund, customer service revenues, operating costs and administrative expenditures.

Special Revenue Fund - To account for the revenues and expenditures associated with the Defined Area No. 1.

Debt Service Fund - To account for ad valorem taxes and financial resources restricted, committed or assigned for servicing bond debt and the cost of assessing and collecting taxes.

Capital Projects Fund - To account for financial resources restricted, committed or assigned for acquisition or construction of facilities and related costs.

Basis of Accounting

The District uses the modified accrual basis of accounting for governmental fund types. The modified accrual basis of accounting recognizes revenues when both “measurable and available.” Measurable means the amount can be determined. Available means collectable within the current period or soon enough thereafter to pay current liabilities. The District considers revenues reported in governmental funds to be available if they are collectable within 60 days after year-end. Also, under the modified accrual basis of accounting, expenditures are recorded when the related fund liability is incurred, except for principal and interest on long-term debt, which are recognized as expenditures when payment is due.

Property taxes considered available by the District and included in revenue include taxes collected during the year and taxes collected after year-end, which were considered available to defray the expenditures of the current year. Deferred inflows of resources related to property tax revenues are those taxes which the District does not reasonably expect to be collected soon enough in the subsequent period to finance current expenditures.

Amounts transferred from one fund to another fund are reported as other financing sources or uses. Loans by one fund to another fund and amounts paid by one fund for another fund are reported as interfund receivables and payables in the Governmental Funds Balance Sheet if there is intent to repay the amount and if the debtor fund has the ability to repay the advance on a timely basis. A transfer of \$72,487 was recorded between the General Fund and Capital Projects Fund to properly reflect capital projects activity.

**PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

As of September 30, 2023, the General Fund owes the Debt Service Fund \$3,536 for reimbursement of tax revenues and the Capital Projects Fund owes the General Fund \$193,927 for construction costs.

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets, are reported in the government-wide Statement of Net Position. All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Repairs and maintenance are recorded as an expenditure in the governmental fund incurred and as an expense in the government-wide Statement of Activities. Capital asset additions, improvements and preservation costs that extend the life of an asset are capitalized and depreciated over the estimated useful life of the asset. Engineering fees and certain other costs are capitalized as part of the asset. Assets are capitalized if they have an original cost above the amounts listed below and a useful life of at least one year.

- 1) Land;
- 2) Land Improvements and Infrastructure, Line Extensions, and System Upgrades costing \$10,000 or more;
- 3) Buildings costing \$2,000 or more;
- 4) Equipment (other than computer or software) costing \$2,000 or more;
- 5) Computer and Computer Software Equipment costing \$500 or more;
- 6) Construction/Development in progress costing \$5,000 or more;
- 7) Intangible assets costing/valued at \$5,000 or more.

Depreciation is calculated on each class of depreciable property using no salvage value and the straight-line method of depreciation. Estimated useful lives are as follows:

	Years
Buildings	10-50
Water/Wastewater Systems	5-50
Other Assets	5-40

Inventory

Inventory is recorded on the average cost basis, less a 10% allowance for loss. Average cost is calculated on the average cost of each specific item purchased during the current fiscal year. The District’s inventory balance as of September 30, 2023, was \$177,414.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgeting

Unappropriated budgets are adopted for both the General Fund and the Special Revenue Fund by the District’s Board of Directors. The budgets are prepared using the same method of accounting as for financial reporting. The General Fund budget was amended during the current year while the Special Revenue Fund budget was not amended. The Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – General Fund and the Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual – Special Revenue Fund present the original and amended budget amounts compared to the actual amounts of revenues and expenditures for the current year.

Pensions

A pension plan has not been established. The District has 11 employees consisting of 10 full-time and 1 part-time. The Internal Revenue Service has determined that directors are considered employees for federal payroll tax purposes only.

Measurement Focus

Measurement focus is a term used to describe which transactions are recognized within the various financial statements. In the government-wide Statement of Net Position and Statement of Activities, the governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets, liabilities, and deferred inflows and outflows of resources associated with the activities are reported. Fund equity is classified as net position. Governmental fund types are accounted for on a spending or financial flow measurement focus. Accordingly, only current assets and current liabilities are included on the Governmental Funds Balance Sheet, and the reported fund balances provide an indication of available spendable or appropriable resources. Operating statements of governmental fund types report increases and decreases in available spendable resources. Fund balances in governmental funds are classified using the following hierarchy:

Nonspendable: amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted: amounts that can be spent only for specific purposes because of constitutional provisions, or enabling legislation, or because of constraints that are imposed externally.

Committed: amounts that can be spent only for purposes determined by a formal action of the Board of Directors. The Board is the highest level of decision-making authority for the District. This action must be made no later than the end of the fiscal year. Commitments may be established, modified, or rescinded only through ordinances or resolutions approved by the Board. The District does not have any committed funds at this time.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus (Continued)

Assigned: amounts that do not meet the criteria to be classified as restricted or committed, but that are intended to be used for specific purposes. The District has not adopted a formal policy regarding the assignment of fund balances and does not have any assigned fund balances.

Unassigned: all other spendable amounts in the General Fund.

When expenditures are incurred for which restricted, committed, assigned or unassigned fund balances are available, the District considers amounts to have been spent first out of restricted funds, then committed funds, then assigned funds, and finally unassigned funds.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3. LONG-TERM DEBT

	Series 2013 Refunding	Series 2015
	_____	_____
Amount Outstanding – September 30, 2023	\$ 265,000	\$ 1,840,000
Interest Rates	4.00%	2.44% - 4.02%
Maturity Dates – Beginning/Ending	September 1, 2024	September 1, 2024/2035
Interest Payment Dates	March 1/September 1	March 1/September 1
Callable Dates	September 1, 2020*	March 1, 2026*

* On any date thereafter, at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption, in whole or in part, at the option of the District, in such manner as the District may determine. The Series 2015 bonds are callable in inverse order of maturity.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 3. LONG-TERM DEBT (Continued)

	Series 2018	Series 2022 Private Placement
Amount Outstanding – September 30, 2023	\$ 4,840,000	\$ 5,855,000
Interest Rates	4.00% - 5.00%	1.39% - 2.60%

Interest Payment Dates	March 1/September 1	March 1/September 1
Callable Dates	September 1, 2026*	September 1, 2032*

	Series 2023
Amount Outstanding – September 30, 2023	\$ 15,280,000
Interest Rates	4.375% - 6.875%
Maturity Dates – Beginning/Ending	September 1, 2025/2057
Interest Payment Dates	March 1/September 1
Callable Dates	September 1, 2029*

* On any date thereafter, at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption, in whole or in part, at the option of the District, in such manner as the District may determine. The Series 2018 term bonds maturing on September 1, 2031 and September 1, 2038 are subject to mandatory redemption by lot or other customary random selection method beginning September 1, 2029 and September 1, 2032, respectively. The Series 2023 term bonds maturing on September 1, 2039, September 1, 2053 and September 1, 2057 are subject to mandatory redemption by lot or other customary random selection method beginning September 1, 2036, September 1, 2051 and September 1, 2054, respectively.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 3. LONG-TERM DEBT (Continued)

The following is a summary of transactions regarding the changes in the long-term liabilities for the year ended September 30, 2023:

	October 1, 2022	Additions	Retirements	September 30, 2023
Bonds Payable	\$ 13,555,000	\$ 15,280,000	\$ 755,000	\$ 28,080,000
Unamortized Discounts		(114,436)	(405)	(114,031)
Unamortized Premiums		47,493	169	47,324
Bonds Payable, Net	\$ 13,555,000	\$ 15,213,057	\$ 754,764	\$ 28,013,293
		Amount Due Within One Year		\$ 785,000
		Amount Due After One Year		27,228,293
		Bonds Payable, Net		\$ 28,013,293

On May 2, 2022, an election was held in which the voters approved an additional \$40,000,000 of unlimited tax bonds and \$40,000,000 of refunding bonds related to the construction of water, wastewater, drainage and storm sewer facilities. As of September 30, 2023, the District had remaining authorized but unissued unlimited tax bonds of \$24,720,000 and refunding bonds in the amount of \$45,300,000. The Defined Area No. 1 has authorized but unissued tax bonds in the amount of \$20,000,000.

As of September 30, 2023, the debt service requirements on the bonds outstanding were as follows:

Fiscal Year	Principal	Interest	Total
2024	\$ 785,000	\$ 1,143,603	\$ 1,928,603
2025	580,000	1,091,566	1,671,566
2026	600,000	1,072,551	1,672,551
2027	615,000	1,052,474	1,667,474
2028	635,000	1,031,335	1,666,335
2029-2033	3,465,000	4,792,234	8,257,234
2034-2038	3,515,000	4,073,825	7,588,825
2039-2043	3,690,000	3,380,435	7,070,435
2044-2048	4,555,000	2,605,512	7,160,512
2049-2053	5,360,000	1,628,295	6,988,295
2054-2057	4,280,000	493,200	4,773,200
	\$ 28,080,000	\$ 22,365,030	\$ 50,445,030

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 3. LONG-TERM DEBT (Continued)

During the year ended September 30, 2023, the District levied a District-wide ad valorem debt service tax at the rate of \$0.2477 per \$100 of assessed valuation, which resulted in a tax levy of \$1,338,352 on the adjusted taxable valuation of \$549,167,418 for the 2022 tax year. See Note 7 for the maintenance tax levy and Note 8 for the Defined Area levy.

All property values and exempt status, if any, are determined by the appraisal district. Assessed values are determined as of January 1 of each year, at which time a tax lien attaches to the related property. Taxes levied around October/November, are due upon receipt and are delinquent the following February 1. Penalty and interest attach thereafter.

NOTE 4. SIGNIFICANT BOND RESOLUTION AND LEGAL REQUIREMENTS

The 2013 bond resolution requires that the District levy and collect an ad valorem debt service tax sufficient to pay interest and principal on bonds when due and cover the cost of assessing and collecting taxes. These provisions have been met, and the cash allocated for these purposes was sufficient to meet debt service requirements through the fiscal year ended September 30, 2023.

The Series 2015 bond resolution requires the Series 2015 bonds to be secured by and payable solely from the net revenues of the District’s water, sewer and drainage system and are not secured by District tax revenues. The Series 2015 bond resolution requires the District to establish a Reserve Fund in the amount of \$190,944. These provisions have been met, and the cash allocated for these purposes was sufficient to meet debt requirements through the fiscal year ended September 30, 2023.

The bond resolutions state that the District is required by the Securities and Exchange Commission to provide annual continuing disclosure of certain general financial information and operating data to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system. This information, along with the audited annual financial statements, is to be provided within six months after the end of each fiscal year.

The District has covenanted that it will take all necessary steps to comply with the requirement that rebatable arbitrage earnings on the investment of the gross proceeds of the bonds, within the meaning of section 148(f) of the Internal Revenue Code, be rebated to the federal government. The minimum requirement for determination of the rebatable amount is on each 5th year anniversary of the bonds.

**PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023**

NOTE 5. DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The District’s deposit policy for custodial credit risk requires compliance with the provisions of Texas statutes. Texas statutes require that any cash balance in any fund shall, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, be continuously secured by a valid pledge to the District of securities eligible under the laws of Texas to secure the funds of the District, having an aggregate market value, including accrued interest, at all times equal to the uninsured cash balance in the fund to which such securities are pledged. At fiscal year-end, the carrying amount of the District’s bank deposits was \$21,704,776 and the bank balance was \$21,786,225. The District was not exposed to custodial credit risk at year-end.

The carrying values of the deposits are included in the Governmental Funds Balance Sheet and the Statement of Net Position at September 30, 2023, as listed below:

	<u>Cash</u>	<u>Certificate of Deposit</u>	<u>Total</u>
GENERAL FUND	\$ 1,359,529		\$ 1,359,529
SPECIAL REVENUE FUND	266,049		266,049
DEBT SERVICE FUND	1,047,663	350,000	1,397,663
CAPITAL PROJECTS FUND	<u>18,681,535</u>		<u>18,681,535</u>
TOTAL DEPOSITS	<u>\$ 21,354,776</u>	<u>\$ 350,000</u>	<u>\$ 21,704,776</u>

Investments

Under Texas law, the District is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity and that address investment diversification, yield, maturity, and the quality and capability of investment management, and all District funds must be invested in accordance with the following investment objectives: understanding the suitability of the investment to the District’s financial requirements, first; preservation and safety of principal, second; liquidity, third; marketability of the investments if the need arises to liquidate the investment before maturity, fourth; diversification of the investment portfolio, fifth; and yield, sixth. The District’s investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived.”

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Investments (Continued)

No person may invest District funds without express written authority from the Board of Directors. Texas statutes include specifications for and limitations applicable to the District and its authority to purchase investments as defined in the Public Funds Investment Act. The District has adopted a written investment policy to establish the guidelines by which it may invest. This policy is reviewed annually. The District’s investment policy may be more restrictive than the Public Funds Investment Act.

The District invests in United States Treasury Notes, United States Treasury Bills, money market mutual funds, and Federal Home Loan Bank bonds. The District measures these investments at fair market value. Net unrealized gains on these investments as of September 30, 2023, totaled \$15,819.

The District measures investment in certificates of deposit at acquisition cost. As of September 30, 2023, the District had the following investments and maturities:

Funds and Investment Type	Maturities in Years		
	Fair Market Value	Less Than 1 Year	1-5
<u>GENERAL FUND</u>			
United States Treasury Notes	\$ 1,438,950	\$ 490,350	\$ 948,600
United States Treasury Bills	598,957	598,957	
Federal Home Loan Bank Bonds	2,012,510	996,715	1,015,795
Money Market Funds	1,745,346	1,745,346	
<u>DEBT SERVICE FUND</u>			
Certificate of Deposit	350,000	350,000	
TOTAL INVESTMENTS	<u>\$ 6,145,763</u>	<u>\$ 4,181,368</u>	<u>\$ 1,964,395</u>

Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. The District’s investment policy permits the investment in high grade obligations of the United States and certain money market funds. The District also manages credit risk by investing in certificates of deposits insured by the FDIC.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The District’s investments generally have maturities of less than five years to address interest rate risk concerns. The District also manages interest rate risk by investing in certificates of deposit with maturities of approximately one year or less.

NOTE 5. DEPOSITS AND INVESTMENTS (Continued)

Restrictions

All cash of the Special Revenue Fund is restricted for the payment of costs associated with the Defined Area No. 1.

All cash of the Debt Service Fund is restricted for the payment of debt service and the cost of assessing and collecting taxes.

All cash and investments of the Capital Projects Fund are restricted for the purchase or construction of capital assets.

NOTE 6. CAPITAL ASSETS

Capital asset activity for the current fiscal year is summarized in the following table:

	October 1, 2022	Increases	Decreases	September 30, 2023
Capital Assets Not Being Depreciated				
Land and Land Improvements	\$ 661,569	\$	\$	\$ 661,569

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 7. MAINTENANCE TAX

During the fiscal year ended September 30, 2023, the District levied an ad valorem maintenance tax at the rate of \$0.2613 per \$100 of assessed valuation, which resulted in a tax levy of \$1,411,834 on the adjusted taxable valuation of \$549,167,418 for the 2022 tax year. The maintenance tax is to be used by the General Fund to pay expenditures of operating the District’s waterworks and wastewater system and for any other lawful purpose.

NOTE 8. DEFINED AREA NO. 1

Pursuant to a resolution adopted by the District’s Board of Directors on February 11, 2008, and an election held on May 10, 2008, approximately 41 acres within the boundaries of the District were designated as Defined Area No. 1 and are being developed as “Caracol”. Pursuant to an Agreement for Maintenance and Operation for Port O’Connor Defined Area No. 1 Facilities entered into between the District and Caracol Community Association, Inc. ("Caracol Community") on October 23, 2018, the District is responsible for operating and maintaining the water and wastewater facilities within Defined Area No. 1. The District collects and retains all District-wide maintenance tax and all tap fees and monthly water and wastewater revenue within Defined Area No. 1 to use in connection with the District's operation and maintenance costs. Caracol Community manages the maintenance and operations needed for improvements within Defined Area No. 1 and is reimbursed by the District for its costs related to such operations and maintenance solely from the Defined Area No. 1 operations and maintenance tax. The financial activity of the Defined Area No. 1 is accounted for in the Special Revenue Fund.

Pursuant to an election held within the Defined Area No. 1 on May 20, 2008, the Board is authorized to levy a maintenance and operation tax within the Defined Area No. 1 at a rate not to exceed \$0.80 per \$100 of assessed valuation. The February 11, 2008, Taxation Plan for Defined Area No. 1 Within Port O’Connor Municipal Utility District provided for the levy of both a debt service tax and an operation and maintenance tax on property within the boundaries of the defined area, such taxes being in addition to the taxes levied by the District over all property in the District. Therefore, property owners in Defined Area No. 1 are subject to the District wide tax rate in addition to an operation and maintenance tax levied exclusively on property within the Defined Area No. 1. As of this date, the District has not levied an additional Defined Area No. 1 debt service tax. The purpose of the Defined Area tax is to pay for the improvements contemplated by the Plan of Improvements that was approved by voters in the election for the creation of the Defined Area No. 1. The improvements included in this plan are navigable canals and certain water, sanitary sewer, and drainage improvements, as well as related land acquisition and environmental costs and expenses related to all of these improvements. During the fiscal year ended September 30, 2023, the Defined Area levied an ad valorem maintenance tax rate of \$0.491 per \$100 of assessed valuation, which resulted in a tax levy of \$86,739 on the adjusted taxable valuation of \$17,665,766 for the 2022 tax year.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 9. RISK MANAGEMENT

The District is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets, errors and omissions, and natural disasters. The District participates in the Texas Municipal League Intergovernmental Risk Pool (“TML”) to provide automobile liability, automobile physical damage coverage and workers compensation coverage. The District, along with other participating entities, contributes annual amounts determined by TML’s management. As claims arise they are submitted and paid by TML. The District purchased commercial insurance for all other coverage.

Hurricanes can cause flooding, particularly in coastal areas such as the area where the District is located. Hurricanes can also cause windstorm and other damage and hurricane induced flooding can submerge roadways connecting coastal areas with inland areas, thus preventing the evacuation of people and/or property. If a hurricane (or other natural disaster) destroyed all or part of the area in which the District operates, the assessed value of property within the District could be substantially reduced, with a corresponding decrease in tax revenues or increase in the tax rate. Further, there can be no assurance that a casualty loss will be covered by insurance (certain casualties, including flood, are usually excluded unless specific insurance is purchased), that any insurance company will fulfill its obligation to provide insurance proceeds or that insurance proceeds will be used to rebuild or repair damaged District property. Even if insurance proceeds are available and the District does repaired/rebuild damaged assets, there could be a lengthy period in which assessed values within the District could be adversely affected. The Gulf Coast region in which the District is located is subject to occasional destructive weather. There can be no assurance the District will not endure damage from future meteorological events.

The District operates in a regulated industry. As a result, various lawsuits, claims, and legal and regulatory proceedings can be instituted or asserted against the District.

NOTE 10. SALES AND USE TAX

The Texas Legislature, in 2013, authorized the District to levy, upon voter approval, a sales and use tax. Pursuant to an election on November 5, 2013, the District voters approved a sales and use tax which provides for the District to collect taxes at the rate of 1.50% within its boundaries. Proceeds from sales and use taxes are not pledged to the payment of the District’s outstanding bonds or any other debts of the District. The Board is, however, authorized by law to pledge such sales and use tax revenue to the payment of bonds, notes or other obligations. During the current year, the District recorded \$384,321 in sales tax revenue, of which \$64,248 was receivable at year-end.

PORT O’CONNOR IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2023

NOTE 11. TCEQ COMPLIANCE

The District is currently in compliance with the TCEQ as it relates to its water and wastewater systems. The District is maintaining compliance via the following processes: (i) employed with licensed in-house operators and (ii) used funds on hand as well as a portion of the proceeds from the Series 2015 Revenue Bonds to upgrade some of its water and wastewater systems. Additionally, a portion of the proceeds of the Series 2018 and 2022 Bonds will also be used to continue water and wastewater system upgrades to address TCEQ compliance requirements. At this time, the District has no outstanding violations with the TCEQ.

NOTE 12. SERIES 2023 BOND SALE

On August 17, 2023, the District closed on the sale of its \$15,280,000 Series 2023 Unlimited Tax Bonds. Proceeds will be used to finance the following: water well generator additions; wastewater treatment plant improvements; vacuum stations 1B and 2B; and reverse osmosis treatment facility. Bond proceeds were also used to pay certain bond issuance costs, capitalize twelve months of interest on the bonds and administrative costs.
